## Pre Lab Reporting Welcome to PowerPhys v3 1

May 13th, 2018 - Blood Glucose Regulation Congratulations on completing Pre Lab Reporting Select Data Collection to continue the experiment x Objectives'

## 'What effect does insulin have on the blood s glucose

May 10th, 2018 - One of insulin s major functions is to prevent the use of fat as an energy source in the body In doing so it also pushes the body to take glucose out of the blood and store it as glycogen where it can be used as an energy source By this process insulin serves to actually reduce the glucose'

## 'Science isn t Fiction Negative Feedback and Blood Glucose

May 11th, 2018 - Negative Feedback and Blood Glucose Regulation Our ability to maintain relatively constant internal conditions is due to homeostasis It may
