'Repairing Seized Engines Gas Engine Magazine

December 27th, 2019 - Much as we like

working on our old engines there s a limit to what many of us can handle and a seized engine is pretty much that limit But don t throw in the towel if your engine is stuck because a little insight and the right approach can often get that old iron spinning once again'

'1959 Cushman Husky 8HP Engine First Fire in 45 Years'

November 21st, 2019 - This is a 1959 Cushman Husky 8HP M9 engine being fired for the first time in over 45 years Pre starting we added a new ignition coil and points to the Magneto and rebuilt the carburetor It was a little bit of a pain to get the points firing right to create spark but it apparently worked Sorry for the low quality video but it'
