**May 21st, 2020 - proptech is an emerging field and can
refer more generally to the rise of startups focused on
disrupting the real estate industry proptech is often
confused with cretech though the two aren't synonymous
cretech focuses on tools affecting the mercial or
corporate real estate industry while proptech is broader
referring to both the mercial and residential
fields''mipim 2015 mobile app all you need to get ready
