most important artists in an artists' collective that will decisively shape the appearance of contemporary Meissen porcelain. The main figures from the collective are the 'Meissen and the media dell'arte' Davies Antiques.

April 30th, 2020 - However, the golden period for the creation of media dell'arte models at Meissen was between 1735 and 1750, when the modeller J.J. Kaendler (1706-1775) was in his prime. Kaendler's figures of the media dell'arte actors, with their exaggerated gestures and dramatic facial expressions, show his mastery of the medium of porcelain and his
