submission to HMRC within six months of

the international movement of capital
transaction relating to its foreign
subsidiaries'

'International capital movements Marginal
REVOLUTION

May 27th, 2008 - And do taxes really shift
capital between countries It seems the
first and biggest effect would be to shift
capital to the government where it will
surely be invested less efficiently in
things like say wars that are a negative
investment in trade and stability and sure
to undermine international cooperation and
communication'
