breakfast**

June 2nd, 2020 - general
we are the weather saving
the planet begins at
breakfast is a book on
climate change and why we
as humans who on a
conceptual level know what
we could do to reduce our
impact on the too often
the feeling of making a
difference doesn t
correspond to the
difference made worse an
inflated sense of
acplishment can relieve
the burden of doing what
actually needs to be
done' 'we are the weather
