May 24th, 2020 - the majority of those who write haiku in
english have e to feel that a haiku length of less than 17
syllables with something like 6 or 7 beats overall typically
in three phrases with the middle line a little longer than
the other two i e with extra syllables and possibly an extra
beat sounds natural right light and enough for our purpose'

March 15th, 2020 - the heart of haiku about book this
something in me took to writing poetry years ago merely to
amuse itself at first but finally making it its lifelong
business it must be admitted however that there were times
when it sank into such dejection that it was almost ready to
drop its pursuit or again times when it was so puffed up with
pride that it exulted in vain victories over others'
