'all you need is self love review of munion the

June 19th, 2018 - female self love doesn t end with the self the book is called munion for a reason because hooks asserts that women who truly love themselves also surround themselves with others who are doing the same thing she doesn t deny the value of romantic relationships with other women or heterosexual ones for that matter but hooks is clear that a circle of love where you e together and share your ts is the only way in which to experience life and ultimately fight back''**communion the female search for love publishersweekly**
