### **Breast Physics not working Technical Support Advanced**

December 27th, 2019 - I updated looksmenu AAF and mod framework I re created all bodies and outfit and their morphs but everything is static ah makes sense it uses the script extender to produce the physics in the first place so the new script extender doesnt work with the mod without it being updated Illl just play while

---

waiting then"**1910 02641 Effective Theory Approach to New Physics with**

October 8th, 2019 - Abstract Extending the Standard Model with higher dimensional operators in an effective field theory EFT approach provides a systematic framework to study new physics NP effects from a bottom up perspective as long as the NP scale is sufficiently large compared to the energies probed in the experimental observables'

**'Princeton leads efforts to develop national data training**

**August 19th, 2019 - That kind of feedback is music to the ears of Sudhir Malik associate professor of physics at the University of Puerto Rico Mayagüez Campus Malik is part of IRIS HEP and collaborating principal investigator with Elmer on a related NSF funded project called ?Framework for Integrated Software Training for High Energy Physics ? or FIRST HEP"New framework for nanoantenna light absorption ScienceDaily**

---

---

September 23rd, 2019 - New framework for nanoantenna light absorption Date September 23 2019 Source University of Illinois College of Engineering Summary Harnessing light s energy into nanoscale volumes requires novel engineering approaches to overcome a fundamental barrier known as the diffraction limit'

**'William H Calhoun New Physics Curriculum**

**December 1st, 2019 - My physics team has only three members For good or for ill we are all well versed in the old state framework and assessment The new framework is mostly based on the Next Generation Science Standards so it?s quite different I was excited about the change because I think the NGSS is a worthy approach'**

**'Next Generation Science Standards**

---

---

**December 23rd, 2019 - The Next Generation Science Standards NGSS are K-12 science content standards Standards set the expectations for what students should know and be able to do The NGSS were developed by states to improve science education for all students A goal for developing the NGSS was to create a set of research based up to date K-12 science standards" Sciences**
