June 16th, 2018 - *Film A Critical Introduction* provides readers with the skills needed to successfully critique and analyze films. *Film A Critical Introduction* is the first book to introduce students to the critical analysis of film. It is designed to help students learn how to analyze and critique films in a systematic and structured way. The book is divided into four main sections: *Introduction to Film Analysis*, *Techniques of Analysis*, *Case Studies*, and *Conclusion*. Each section contains a variety of exercises and activities to help students develop their critical thinking skills. The book also includes a glossary of key terms and a bibliography for further reading.
