**essential cell biology by  
bruce alberts goodreads**

June 5th, 2020 - the original  
purpose of writing this book  
was to provide a  
straightforward explanation  
of the workings of a living  
cell the key to every  
biological problem must  
finally be sought in the cell  
for every living organism is or at  
sometime has been a cell'
