day on our blue planet in  
the savannah by ella  
May 11th, 2020 - a focus  
on one day in the life of  
a lion cub in the  
savannah a sort of  
narrative non fiction  
that fills the reader in  
on what the cub might do  
and how it is supported  
by the pride there are  
also engaging  
illustrations throughout  
but before and after the  
main part of the story  
there are two pages with  
many of the animals that  
inhabit the savannah  
during the day and in  
during the night''one day
