'invisible men in male witches in early modern europe

June 1st, 2020 - It p gt the exclusion of male witches from witchcraft historiography is the result of active processes and assumptions more monly especially in surveys male witches are mentioned once or twice and then fotten and witches are referred to subsequently as if they were exclusively female e william monter provides a wealth of data about male witches beginning with the fact that in this'

'witches and neighbours the social and cultural context of May 20th, 2020 - witches and neighbours is a highly original and unconventional analysis of a fascinating historical phenomenon unlike other studies of the subject which focus on the mechanisms of persecution this book presents a rich picture of witchcraft as an all pervasive aspect of life in early modern europe"the earth as a cradle for life frank d stacey jane h

April 21st, 2019 - It b gt klappentext It b gt It br gt It p gt the earth as a cradle for life

aims to fill the gap between readers who have a strong and informed scientific interest in the environment but no access to the journal literature and their desire for a basic understanding of the environment it provides a prehensive account and requires no advanced mathematical skills it will also satisfy a need for a textbook'
