Arista Top of Rack or
Inter rack Switch
December 15th, 2019 -
When you replace an
Arista top of rack ToR
or inter rack switch in a
rack you must replace it
with a Arista switch that
has the same identical
specifications as the
one you are replacing
The replacement ToR or
inter rack switch must
be the same model and
have the same version
of the Arista switch
operating system as the
one it is
replacing" *Cumulus and
Arista EVPN
Configuration ?
JasonVanPatten com*

December 21st, 2019 - Arista The Arista BGP config is once again pretty simple It?s annoying that they don?t seem to allow the same peer to handle both IP and EVPN But as I stated previously perhaps they do and I was just making a mistake In any event router'

'The Arista Multilayer Switch must activate a system alert
