buddhism a christian exploration and appraisal

May 31st, 2020 - in their exploration and appraisal of buddhism keith yandell and harold netland clearly belong to the second group of people both are philosophers of religion and practicing christians their study of buddhism in both its description of what that religion is and its assessment of that religion s truth claims strives to be fair and critical'

'end time

May 26th, 2020 - the end time also called end times end of time end of days last days final days doomsday or eschaton is a future described variously in the eschatologies of several world religions both abrahamic and non abrahamic which teach that world events will reach a climax the abrahamic religions maintain a linear cosmology with end time scenarios containing themes of transformation and'
