April 4th, 2020 - This book offers a series of studies of the idea and

practice of reperformance as it affects ancient lyric poetry and drama
Special attention is paid to the range of phenomena which fall under the
heading reperformance to how poets use both the reality and the imaginary
of reperformance to create a deep temporal sense in their work and to how
audiences use their knowledge of '**Gertrude Stein February 3 1874 July 27
