## **'statistical significance in a b testing a complete guide**

May 30th, 2020 - the  
concept of statistical  
significance is central to  
planning executing and  
evaluating a b and  
multivariate tests but at the  
same time it is the most  
misunderstood and misused  
statistical tool in internet  
marketing conversion  
optimization landing page  
optimization and user  
testing this is not my first

---

take on the topic but it is  
my best attempt to lay it out  
in as plain english as "**what  
s so significant about  
significance**

**May 20th, 2020 - the term  
statistical significance is  
used to denote when an  
effect is found to be  
extremely unlikely to have  
occurred by chance to  
make that determination  
we have to propose a null  
hypothesis to be rejected  
let s say we propose that  
eating an apple a day  
reduces the incidence of  
colon cancer'**

---

---

**'statistical significance  
surveymonkey  
May 27th, 2020 - to turn  
on statistical significance  
you need to add a pare  
rule to a question in your  
survey to divide  
respondents into groups  
to apply a pare rule go to  
the analyze results section  
of your survey click
